Disclaimer
Risk Warnings: Securities (the "ETF Securities") issued by ETFS Commodity Securities Limited, ETFS Oil Securities Limited, ETFS Metal Securities and Gold Bullion Securities Limited (each an "Issuer") may or may not be suitable for a particular investor. The price of ETF Securities may go up or down and the investor may not get back the amount invested. ETF Securities are priced in either US dollars or Euros and the value of the investment in other currencies will be affected by exchange rate movements. To the extent ETF Securities are traded in other currencies, their value may also be affected by exchange rate movements. Certain of the ETF Securities which provide a short or leveraged exposure (the "Short and Leveraged ETF Securities") are only suitable for professional investors with knowledge of the risks and benefits of both short and leveraged investment strategies. Investment in the Short and Leveraged ETF Securities will magnify any gains or losses on the underlying index and an investor risks losing their total investment if held for extended periods. Short and Leveraged ETF Securities only replicate the daily change in an index multiplied by the leverage factor. For holding periods greater than one day, the return could be significantly different from the index return multiplied by the leverage factor over that longer period. Restricted Investors: The information in this document regarding ETFS Commodity Securities Limited, ETFS Oil Securities Limited and ETFS Metal Securities Limited is designed solely for use in the United Kingdom, France, Netherlands, Germany and Italy and complies with the regulatory requirements of these jurisdictions only, and is not intended for residents of any other countries. The information in this document regarding Gold Bullion Securities Limited is designed solely for use in the United Kingdom, France, Belgium, Netherlands, Germany and Italy and complies with the regulatory requirements of these jurisdictions only, and is not intended for residents of any other countries. The distribution of the relevant Prospectus for ETF Securities and the offering and delivery of ETF Securities in certain jurisdictions may be restricted by law. Any subscription for ETF Securities should be made on the basis of the relevant Prospectus. ETF Securities will not be registered under the United States Securities Act of 1933 or qualified under any applicable state securities statutes. The Companies will not be registered as an investment company under the US Investment Company Act of 1940. For Dutch, German, French and Italian investors: The Prospectuses for these ETF Securities have been passported from the United Kingdom into the Netherlands, Germany, France and Italy and have been filed with the Authority Financial Markets (Autoriteit Financiële Markten) and the Bundesanstalt für Finanzdienstleistungsaufsicht (BaFin), l'Autorité des Marchés Financiers (AMF) and the Borsa Italiana respectively in the Netherlands, Germany, France and Italy. Copies of all documents (the "Prospectus", any Supplements), the latest prepared annual reports and the memorandum of incorporation and the articles of association of the relevant Issuer) are available in the Netherlands, free of charge, by calling the Dutch Listing Agent, Fortis Bank (Nederland) N.V., on +31 20 527 2467 or faxing a request to +31 20 527 1928 or the German Listing Agent, HSBC Trinkaus & Burkhardt AG, Konigsplatz 11, 20354 Hamburg, Germany, on +49 4103 31 31 31 or the French Listing Agent HSBC France 103, Avenue des Champs Elysees 75008 Paris. For Belgium investors with respect to Gold Bullion Securities Limited: The Prospectus for Gold Bullion Securities Limited has been passported from the United Kingdom into Belgium and has been filed with the Commission Bancaire, Financière et des Assurances in Belgium. The Prospectus for Gold Bullion Securities Limited may be distributed to investors in Belgium. Disclaimer: Any investment in ETF Securities carries with it certain risks, including those risks set out in the relevant Prospectus. You should obtain your own independent financial, taxation and legal advice before making any decisions about any investment in ETF Securities. This information is not an offer of ETF Securities and should not be used as the basis for any investment decision. The relevant Prospectus for ETF Securities can be downloaded from www.etfsecurities.com. If you wish to acquire ETF Securities you may purchase ETF Securities on the London Stock Exchange (or other exchanges if relevant). This information is issued by the relevant issuer and does not constitute financial product advice. The ETF Securities are not guaranteed by AIG, AIG-FP, Shell, HSBC Bank USA N.A. or anyone else. ETF Commodity Securities (which include the Short and Leveraged ETF Securities) are direct, limited recourse obligations of the issuer alone and not obligations of AIG, AIG-FP or any other member of the AIG Group. ETF Oil Securities are direct, limited recourse obligations of the issuer alone and not obligations of Shell Trading Switzerland, Shell Treasury or any member of the Shell Group and are not guaranteed by any member of the Shell Group. ETF Metal Securities and Gold Bullion Securities Limited are direct, limited recourse obligations of the issuer alone and not obligations of any other person including HSBC Bank USA N.A. or any member of the HSBC Group. Index Decliners: "Dow Jones", "AIGB", "DJ-AIGCISM", "DJ-AIGCFPSM", and any related Indices or Sub-Indices are service marks of Dow Jones & Company, Inc. ("Dow Jones") and American International Group, Inc. ("AIG"), as the case may be, and have been licensed for use by the issuer. ETF Commodity Securities (which include the Short and Leveraged ETF Securities), although based on components of the DJ-AIG Commodity Indices-FPSM or on other indices published by Dow Jones are not sponsored, endorsed, sold or promoted by Dow Jones, AIG-FP, AIG, or any of their respective subsidiaries or affiliates, and none of Dow Jones, AIG-FP, AIG, or any of their respective subsidiaries or affiliates, makes any representation regarding the advisability of investing in such product.
